LOOT NFT WORLD

The Great EMPIRE

HER MAJESTY'S GATED WORLD

As an economic and ruling powerhouse, the Great Empire controls the issuance and trade of BUN, LTT, and USDC reward credits. Decisions by its sitting parliamentarians affect Loot NFT World. Following the last war, border controls are tight and only invitees can enter. Each Sunday, all eyes focus on the Arena and the Crown's Podium, where battle-bidding auctions rage. The battle pit is not for the fainthearted and strategy plays a crucial role in winning.
