LES SULTANS

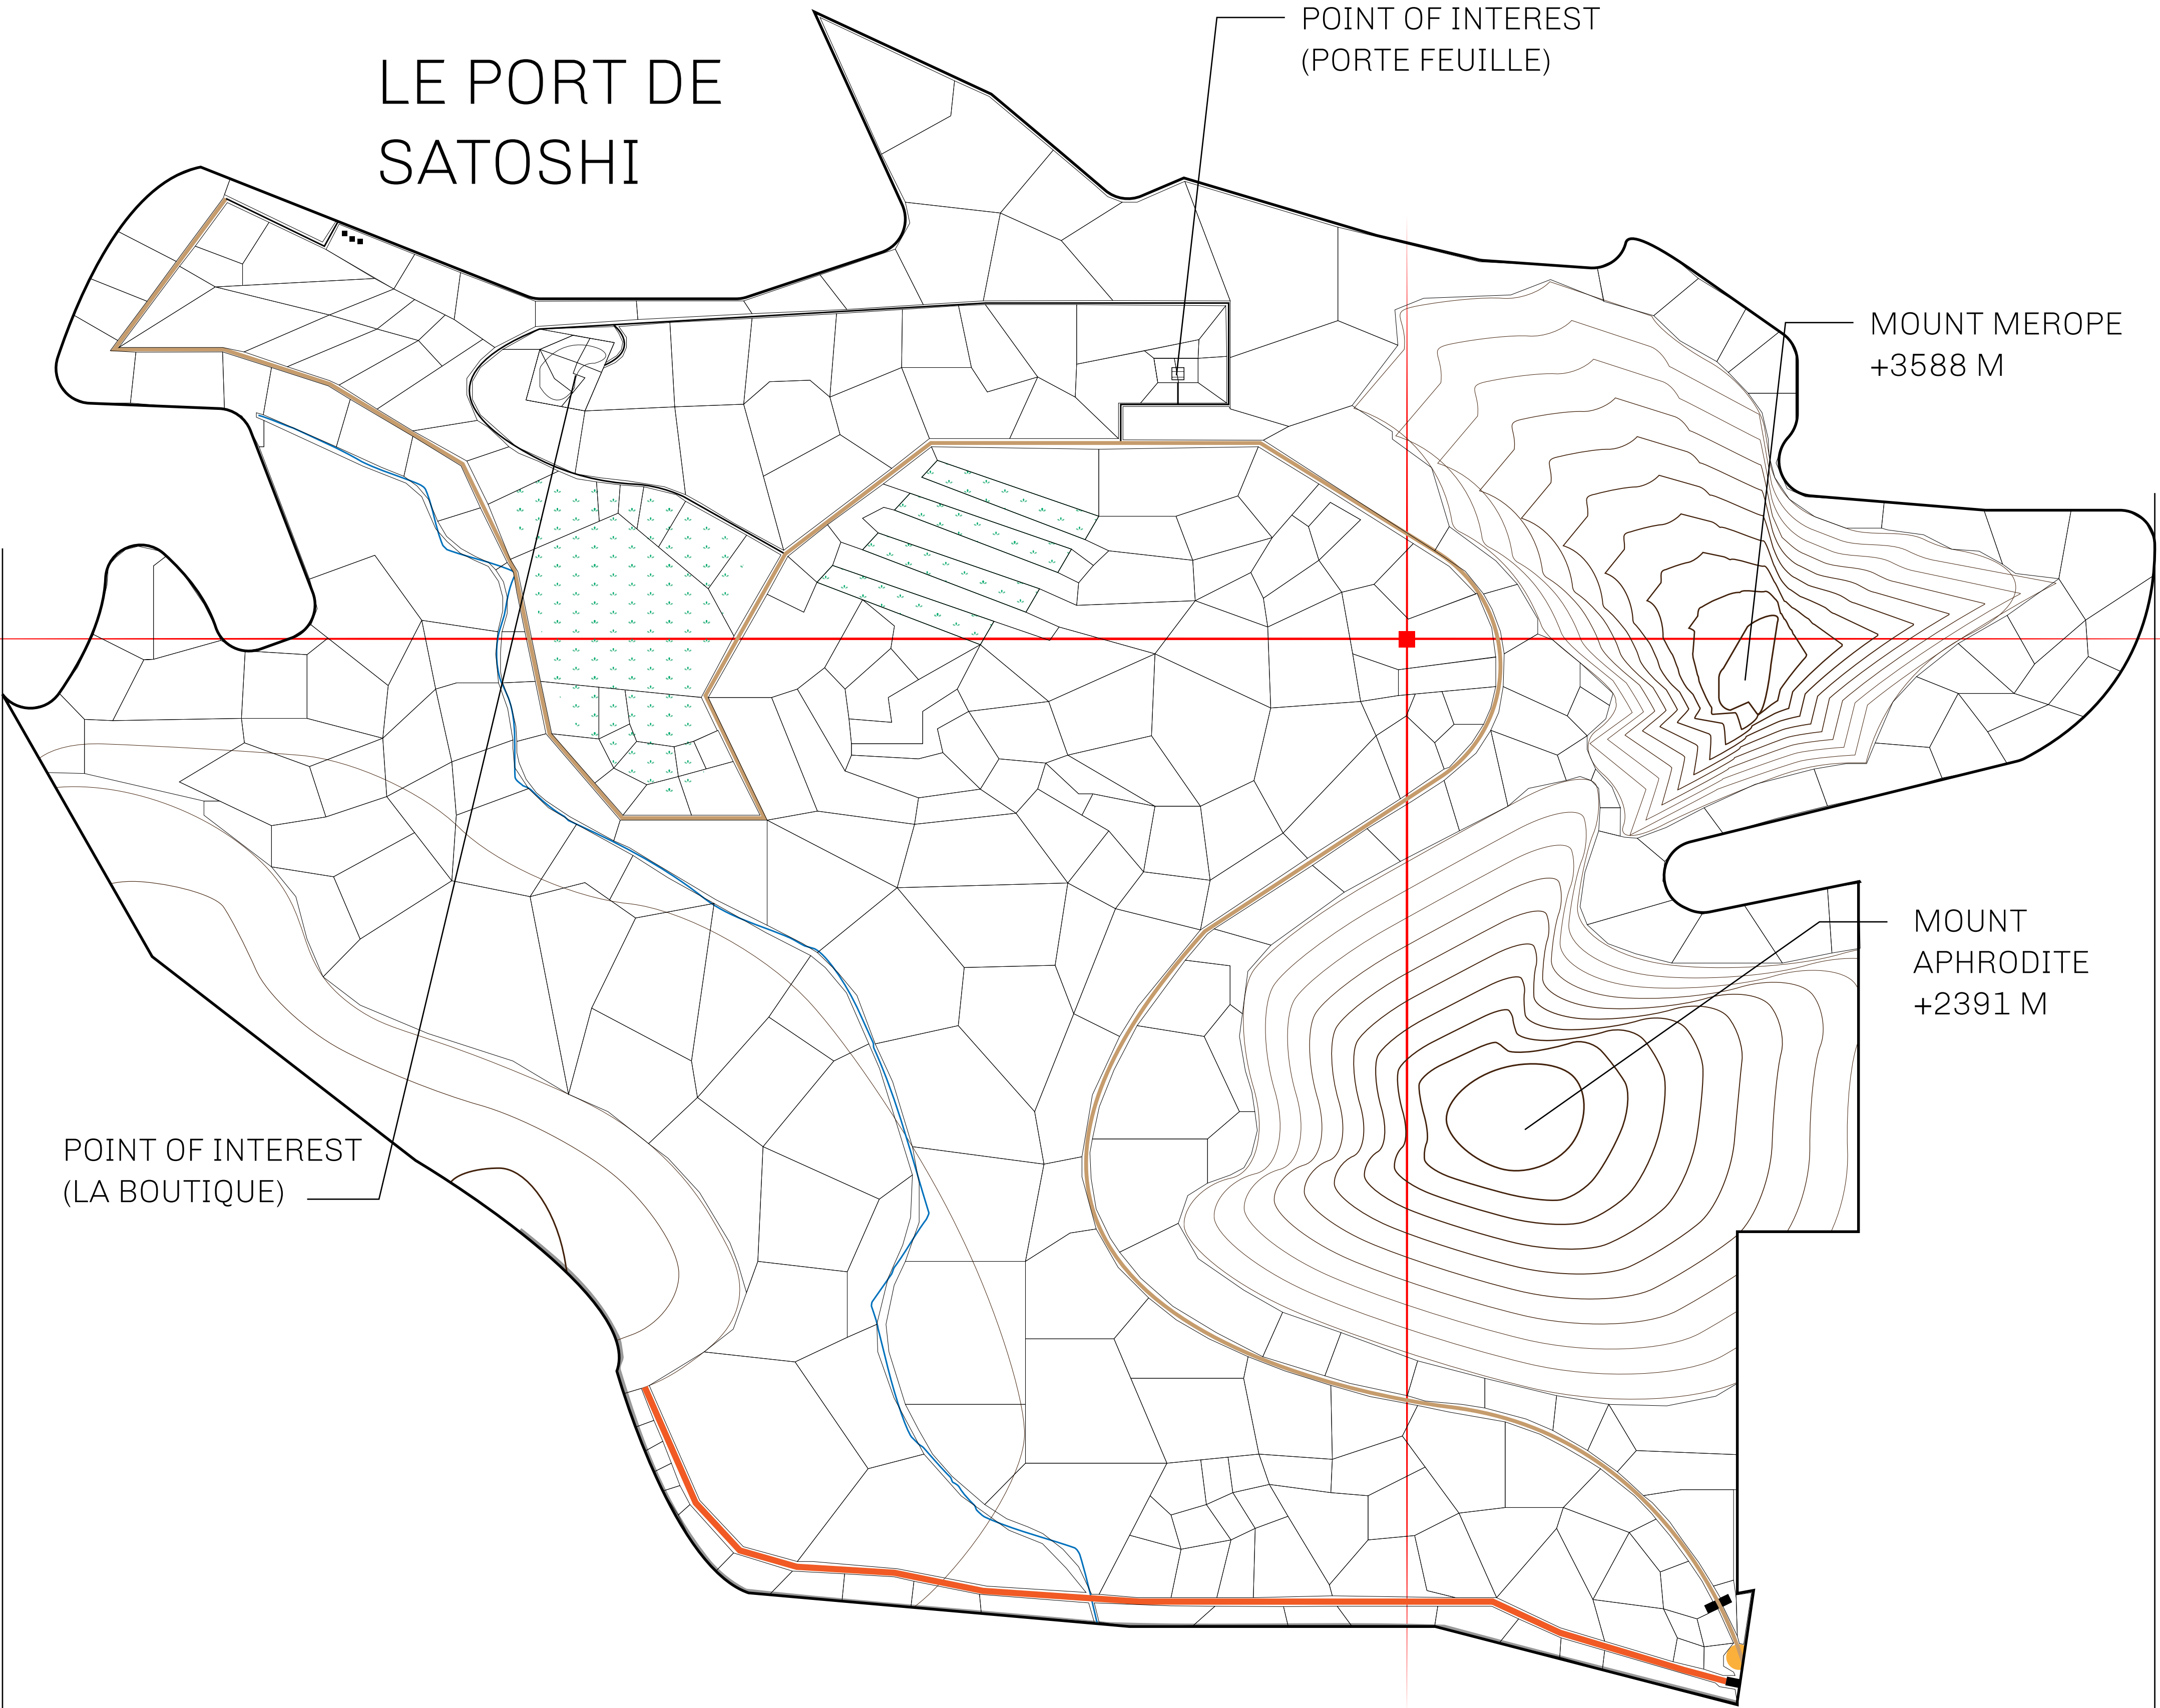

A place of stunning beauty, Le Royaume is known for its exquisite shopping, parks, and grand boulevards. Satoshi's Lounge (the area of La Boutique and Porte Feuille) offers limited-edition and unique items only available for sale in LTT. Land, all sorts of embellishments, and widgets are sold exclusively here. All items are offered first on auction for 24 hours (with a reserve price), and if the reserve is not met, they are listed in a buy-it-now format (reserve price, plus 10%).
